

# PraktikantIn

An architectural model of a city layout. The buildings are made of white foam, with several highlighted in different colors: a tall yellow building, a pink building with a textured facade, a green building with a grid-like structure, and a blue building. The model includes numerous small, brown, leafless trees scattered throughout the city blocks. The overall scene is set against a light blue background.

**Wir suchen ab sofort eine engagierte Praktikantin, einen engagierten Praktikanten als Verstärkung für unser Team.  
Wir freuen uns auf Ihre Bewerbung.**
