Notes on the module overview

Additional Modules
The following modules from the Master in Strategischem Management & Leadership count as electives:

- Ethik und Leadership, 3 ECTS, GERMAN
- Career Planning und Management, 3 ECTS, GERMAN
- Strategisches Personal und Talent Management, 3 ECTS, GERMAN
- Leader in der Praxis: Ringvorlesung, 3 ECTS, GERMAN
- Studienreise, 3 ECTS, GERMAN

A maximum of 12 ECTS of elective modules can be substituted by the following:

- Other master classes at FHNW, or Swiss universities.
  Prior approval by the programme head required.
- Internship with report (3 ECTS). At least 6 weeks full time.
  Prior approval by the programme head required.
- Project work with a company (3 ECTS). A written report on the project, at least 10 pages long, signed by a company.
  Prior approval by the programme manager is required.
- Participation in the Swiss final of the CFA Institute Research Challenge (3 ECTS).
- Passing the CFA Institute Level 1 exam (6 ECTS).
- Passing the GARP/FRM Part 1 exam (6 ECTS).

These modules only appear on the transcript of record as pass/fail.

Students can replace elective modules with specific modules offered at the University of Basel.
A white-list of the available modules will be provided. Prior approval by the programme head required.

To earn ECTS at the University of Basel, students have to enrol as guest students at the faculty of Business and Economics (WWZ) and successfully complete the modules, with this process being carried out under their own responsibility. Please note that the University of Basel alone is responsible for deciding on the admission of students to the module and determining the possible admission requirements.

Further information on the modules can be found on the following website:
https://wwz.unibas.ch/de/studium/master

Further information to register as a guest student can be found here:
https://www.unibas.ch/de/Studium/Im-Studium/Mobilitaet/Mobilitaet-Schweiz/Belegen-Studierende-anderer-Schweizer-Universitaeten.html

These modules appear on the transcript of record with a grade (if a grade is granted).
