

Letter of Recommendation

Students who apply for the Master's Degree Programme in Engineering at the University of Applied Sciences and Arts Northwestern Switzerland are required to submit a letter of recommendation. This letter certifies the professional and/or social competence of the applicant. The letter of recommendation should be written by a lecturer who supervised the applicant during his/her bachelor's degree programme (e.g. during a project).

To be filled out by the applicant:

Title Ms Mr

Surname(s)

First Name(s)

The student is applying for the degree course offered by the following profiles:

- | | |
|---|---|
| <input type="checkbox"/> Business Engineering | <input type="checkbox"/> Computer Science |
| <input type="checkbox"/> Data Science | <input type="checkbox"/> Electrical Engineering |
| <input type="checkbox"/> Energy and Environment | <input type="checkbox"/> Information and Cybersecurity |
| <input type="checkbox"/> Mechanical Engineering | <input type="checkbox"/> Mechatronics and Automation |
| <input type="checkbox"/> Photonics and Laser Engineering | |

To be filled out by the evaluator:

Surname(s)

First Name(s)

Title and Function/Position:

Institution, Enterprise:

Address:

Telephone business:

Email:

How long did you supervise the applicant during his or her educational career?

Under which circumstances did you meet the applicant?

During the time you supervised the applicant, did he or she work on or write anything noteworthy?
What was it? What were the results?

In a few words, how would you characterise the candidate's autonomy and the ability to work on a team?
These two things are very important for the Master's Degree Programme.
