

## Curriculum Vitae Götz Schlotterbeck

Since November 2018	<b>Bridge</b> (SNF& Innosuisse) Steering Committee Member
Since February 1 <sup>st</sup> 2017	Dean Study Program Molecular Life Sciences (MLS) at School of Life Sciences, <b>FHNW University of Applied Sciences and Arts Northwestern Switzerland</b> , Muttenz
Since May 1 <sup>st</sup> 2010	Professor for Analytical Chemistry at School of Life Sciences, <b>FHNW University of Applied Sciences and Arts Northwestern Switzerland</b> , Muttenz Head of Analytical Chemistry
01.04.2006	Scientific Project Leader, <b>F. Hoffmann- La Roche AG</b>
01.04.2006	Scientific Specialist, <b>F. Hoffmann- La Roche AG</b>
01.01.2002	Senior Scientist, <b>F. Hoffmann- La Roche AG</b>
September 1997 – April 2010	<b>F. Hoffmann- La Roche AG</b> , Basel
January 1995 - July 1997	Ph.D. thesis „Direktkopplung chromatographischer Trennverfahren mit der NMR-Spektroskopie zur Strukturbestimmung von Naturstoffen und Polymeren.“ In the research group of Prof. Dr. K. Albert
January 1995 - August 1997	Scientific Employee at the Institute of Organic Chemistry, <b>Eberhard-Karls-Universität Tübingen</b>
October 1991 - November 1994	Study of Chemistry at the <b>Eberhard-Karls-Universität Tübingen</b>
October 1990 - September 1991	Study of Chemistry at the <b>University of Sussex</b> (GB)
October 1988 – September 1990	Study of Chemistry at the <b>Albert-Ludwigs-Universität Freiburg</b>
