

Curriculum Vitae

Simon Marmet, PHD

address	Von-Roll-Str. 10, 4600 Olten
e-mail	simon.marmet@fhnw.ch
phone	+41 62 957 29 69
institute	Institute for Counseling, Coaching and Social Management

Professional Experience **2021 to present: Researcher for the FACE project (Facing Adverse Childhood Experiences)** at the Institute for Counseling, Coaching and Social Management, School of Social Work, University of Applied Sciences and Arts Northwestern Switzerland, Olten, Switzerland

- Preparation and Programming of the epidemiological survey
- Data management
- Data analysis and writing of scientific papers

2017 to present: Researcher for the Cohort Study on Substance Use Risk Factors (C-SURF) at the Addiction Medicine Unit, Department of Psychiatry, Lausanne University Hospital, Lausanne, Switzerland

- Cross-sectional and longitudinal analysis of the C-SURF data
- Writing papers in the field of substance use disorders and behavioural addictions
- Assisting in questionnaire development, data management and project related tasks

2012 to 2017: Researcher at the research institute of Addiction Suisse, Lausanne, Switzerland

- Analysis of epidemiological data on substance use
- Working on diverse national and international projects
- Writing of research reports in English and German (mainly for the federal administration)
- Authored and co-authored several scientific articles

Education**2020: PHD degree in Life Sciences**

- Faculty of Biology and Medicine, University of Lausanne
- Thesis director: Professor Gerhard Gmel
- Title of thesis: Behavioural addictions and substance use disorders among young Swiss men: Commonalities, associations with other mental health problems and trajectories throughout emerging adulthood
- Thesis successfully defended in June 2020

2011: Studies in Psychology, University of Bern, Switzerland

- Degree lic. phil. (equivalent Master of Science)
- Final grade 5.5 (good)
- Major subjects: Social and Personality/Differential Psychology
- Minor subjects: General Psychology A, Philosophy
- Thesis: Retest reliability of the short form of the Berlin Intelligence Structure Test Form 4 [in German]

2002: Military school in Fribourg (FR), annual repetitions until 2010.

Qualifications

Statistical tools: SPSS (very good), Stata (good), Mplus (good), R (basic)

Languages: Swiss German (native), German (native), English (fluent), French (fluent)

Activities

Mountain sports, literature, computer games

Publication list

Publications in peer reviewed journals

Papers part of my PHD thesis
